Investor Alert

This great 3 bedroom, highset family home is situated in a quiet cul de sac with park and dog park just up the road.

This is an unusual home for the area as it features internal stairs leading to the main house, but also has the advantage of making a rumpus room or toy room downstairs.

A large lounge room with split system air-conditioning is light and bright. A reasonably new kitchen adjoins the dining room area.

The 3 bedrooms are all of good size featuring built-ins.

The bathroom has a shower over the bath and separate WC.

A double lock up garage and laundry is underneath and fully lockable.

A good sized yard which is very much a blank canvas which makes easy maintenance for any tenant in place, or make your own if you decide this is the property for you.

There is a long term tenant in place until January 2019 paying \$270 per week.
